Sorry...
I was a bit
absent minded
at dinner...

I don't know
what was wrong
with me...

Did I screw
things up?

Of course not!

You look so down.
I know a nice place,
come with me, you'll
feel better at that
place.

It tastes really good! What's its name?

I haven't made it from a long time ago. It hasn't name yet.

You're the first one drinking it, how about if you try?

I'M NOT GOOD NAMING THINGS. MY EDITOR ALWAYS MAKES FUN OF THAT. HAHA

How about rainbow? Because is so colorful

If you like it,
i can make it
for you at
any time.

Remember,
just for you.

Tomoe, i don't
know if you believe
that people can fall in
love at first sight.

But i started to
believe it after i
met you.

Perhaps this is
too sudden for you.
I won't force you to
accept me, but I still
hope you can give
me a chance.

For the first time
in my life, I received
a confession, of love
from every hand-
some guy.

Normally, as a person
who is very fond of hand-
some guys, I should be
very excited now
after hearing that,

But why do I feel
so calm now...

Even feel a
little annoyed?

To be honest,
Watsuki is much
more gentle than
Pastear!
